Appreciation for Safety Performance

“Trenchless Engineering Service Private Limited”

We take this opportunity to extend our sincere appreciation to M/s Trenchless Engineering Service Pvt. Ltd., New Delhi for your exceptional commitment and performance in maintaining high safety standards during the execution of works in the Mumbai–Nagpur Pipeline Project (MNPL), Section–I.

Your team has consistently demonstrated a strong safety culture by adhering to all safety protocols, conducting regular toolbox talks, and ensuring compliance with HSE guidelines. We are pleased to note that the project activities under your scope have been carried out without any reportable incidents, reflecting your company's dedication to safety, discipline, and professionalism.

Such commitment not only contributes to the timely and efficient progress of the project but also sets a benchmark for others to follow. We value your efforts and expect the same level of dedication in all future assignments.

Once again, we sincerely appreciate your team's contribution to safety in the MNPL Project.

Thanking you,

Yours Sincerely
